RESERVA DO IBITIPOCA - MINAS GERAIS

Ecological Reserva do Ibitipoca is more than a charming hotel, it's a whole project looking towards the future. Located at 3h30 from Rio de Janeiro, in the Minas Gerais, Reserva do Ibitipoca is an ambitious private reserve of 4.000 hectares which has been working on preservation and sustainability initiative like reintroduction of native flora species and protected animals for the past 40 years. Guest are invited to share local exuberant nature within a traditional farmhouse dating from 1715 and its magnificent stable.

DESTINATION

Affiliated to «National Geographic Unique Lodges» thanks to its commitment in sustainability, private Reserva do Ibitipoca is a destination for nature lovers. The adjoining Ibitipoca State Park, with its 1.400 hectares, is part of the Minas Gerais forest and offers an incredible biodiversity. The white sands of Ibitipoca Reserve region resemble beaches dunes, rivers and the park provides some unique location such as waterfalls and natural pools in the heart of the forest. Guests can combine a stay at Ibitipoca with visiting Minas Gerais stunning colonial cities and Inhotim Foundation: the biggest open-air contemporary art museum and botanical garden.

The hotel is suitable for families and couples. Access by road:

- ♦ 3h00 from Tiradentes and Petrópolis
- ♦ 3h30 from Rio de Janeiro
- ♦ 4h30 from Ouro Preto, Inhotim foundation and from Belo Horizonte
- ♦ 5h30 from Paraty

ACCOMODATIONS
